The image shows a vibrant night scene of a waterfront residential area. The buildings, which appear to be part of the Al Raha Beach complex, are illuminated from within, creating a warm glow against the dark sky. The architecture is modern and unique, with some buildings featuring curved or stepped designs. In the foreground, a calm body of water reflects the lights of the buildings and the surrounding area. A few small boats are visible on the water. The overall atmosphere is sophisticated and luxurious.

9 CHAIRMAN'S MESSAGE

سَمَّ اللَّهُ الرَّحْمَنُ الرَّحِيمُ

On behalf of the Board of Directors, I am pleased to present the Annual Report of Al Hilal Bank Group for 2012.

We are the first bank to report its annual performance for 2012. After a year of significant challenges, we are pleased to report that our performance has exceeded our expectations. Our growth in financing book has been strong, and our capital adequacy has improved significantly. We have also strengthened our risk management framework and enhanced our operational efficiency.

We are grateful to our customers for their continued support and trust in us. We are committed to providing them with the best possible service and products. We are also grateful to our employees for their hard work and dedication. Their efforts have contributed greatly to our success.

Overall, we are pleased with the progress we have made in 2012, and we are optimistic about the future. We believe that our focus on innovation, risk management, and customer service will continue to drive our success.

We sincerely thank all our stakeholders for their support and cooperation. We look forward to continuing to serve you in the years to come.
